RE: *SLCPD Officer Fox's Use of Deadly Force*
Incident Location: 1002 South State St., Salt Lake City, Utah
Incident Date: August 13, 2017
UPD Case No.: 2017-130290
SLCPD Case No.: 17-149617
D.A. Case No.: 2017-980

Dear Sheriff Rivera and Chief Brown:

The Salt Lake County District Attorney's Office ("D.A.'s Office") operates under Utah State law to review and "screen"¹ criminal charges against individuals where criminal activity may have occurred. The D.A.'s Office operates pursuant to an agreement between the D.A.'s Office and participating law enforcement agencies to perform joint investigations and independent reviews of officer involved critical incidents ("OICI") including police officers' use of deadly force while in the scope of their official duties. Pursuant to the State law and the agreement between the D.A.'s Office and participating law enforcement agencies, the D.A.'s Office has reviewed the above referenced matter to determine whether the above referenced use of deadly force violated criminal statutes and whether a criminal prosecution should commence. Part of our screening process considered whether the use of deadly force was "justified" under Utah State law thereby providing a legal defense to a criminal charge. As outlined more fully below, the D.A.'s Office declines to file criminal charges in the above referenced matter because

¹ As explained more fully herein, the process of "screening" a case includes an assessment of the facts and an application of the facts to relevant law, using legal and ethical standards to determine whether to file a criminal charge.

Page 2

we conclude that Salt Lake City Police Department ("SLCPD") Officer Fox's use of deadly force was "justified" under Utah State law.

On August 13, 2017, SLCPD Officer Smith saw a male, later identified as Patrick Harmon, ride his bicycle across all six road lanes and a median on State Street in Salt Lake City, Utah. Officer Smith said he saw that Mr. Harmon didn't have a required red rear tail light on his bicycle, although it was night. Officer Smith asked the male for identification and the male gave several different names and spellings. Officer Smith asked for backup.

Eventually, Officer Smith discovered Mr. Harmon had active felony warrants (one for aggravated assault) and arrested him as SLCPD Officers Fox and Robinson arrived to help. Mr. Harmon broke away from the officers and ran. The officers followed. As he ran, Mr. Harmon said "I'll cut you," and turned and faced the officers with a knife. Officer Fox fired his weapon at Mr. Harmon, killing him.

UTAH STATE LAW

As part of the review and screening determination, the D.A.'s Office relied in part upon the following statutory provisions for the legal analysis:

76-2-401 Justification as defense -- When allowed.

(1) Conduct which is justified is a defense to prosecution for any offense based on the conduct. The defense of justification may be claimed:

(a) when the actor's conduct is in defense of persons or property under the circumstances described in Sections 76-2-402 through 76-2-406 of this part;

(b) when the actor's conduct is reasonable and in fulfillment of his duties as a governmental officer or employee;

...

76-2-402 Force in defense of person -- Forcible felony defined.

(1)(a) A person is justified in threatening or using force against another when and to the extent that the person reasonably believes that force or a threat of force is necessary to defend the person or a third person against another person's imminent use of unlawful force.

(b) A person is justified in using force intended or likely to cause death or serious bodily injury only if the person reasonably believes that force is necessary to prevent death or serious bodily injury to the person or a third person as a result of another person's imminent use of unlawful force, or to prevent the commission of a forcible felony.

SLCPD OICI

October 4, 2017

Page 3

(2)(a) A person is not justified in using force under the circumstances specified in Subsection (1) if the person:

- (i) initially provokes the use of force against the person with the intent to use force as an excuse to inflict bodily harm upon the assailant;
- (ii) is attempting to commit, committing, or fleeing after the commission or attempted commission of a felony; or
- (iii) was the aggressor or was engaged in a combat by agreement, unless the person withdraws from the encounter and effectively communicates to the other person his intent to do so and, notwithstanding, the other person continues or threatens to continue the use of unlawful force.

(b) For purposes of Subsection (2)(a)(iii) the following do not, by themselves, constitute "combat by agreement":

- (i) voluntarily entering into or remaining in an ongoing relationship; or
- (ii) entering or remaining in a place where one has a legal right to be.

(3) A person does not have a duty to retreat from the force or threatened force described in Subsection (1) in a place where that person has lawfully entered or remained, except as provided in Subsection (2)(a)(iii).

(4)(a) For purposes of this section, a forcible felony includes aggravated assault, mayhem, aggravated murder, murder, manslaughter, kidnapping, and aggravated kidnapping, rape, forcible sodomy, rape of a child, object rape, object rape of a child, sexual abuse of a child, aggravated sexual abuse of a child, and aggravated sexual assault as defined in Title 76, Chapter 5, Offenses Against the Person, and arson, robbery, and burglary as defined in Title 76, Chapter 6, Offenses Against Property.

(b) Any other felony offense which involves the use of force or violence against a person so as to create a substantial danger of death or serious bodily injury also constitutes a forcible felony.

(c) Burglary of a vehicle, defined in Section 76-6-204, does not constitute a forcible felony except when the vehicle is occupied at the time unlawful entry is made or attempted.

(5) In determining imminence or reasonableness under Subsection (1), the trier of fact may consider, but is not limited to, any of the following factors:

- (a) the nature of the danger;

- (b) the immediacy of the danger;
- (c) the probability that the unlawful force would result in death or serious bodily injury;
- (d) the other's prior violent acts or violent propensities; and
- (e) any patterns of abuse or violence in the parties' relationship.

76-2-404 Peace officer's use of deadly force.

- (1) A peace officer, or any person acting by his command in his aid and assistance, is justified in using deadly force when:
 - (a) the officer is acting in obedience to and in accordance with the judgment of a competent court in executing a penalty of death under Subsection 77-18-5.5(3) or (4);
 - (b) effecting an arrest or preventing an escape from custody following an arrest, where the officer reasonably believes that deadly force is necessary to prevent the arrest from being defeated by escape; and
 - (i) the officer has probable cause to believe that the suspect has committed a felony offense involving the infliction or threatened infliction of death or serious bodily injury; or
 - (ii) the officer has probable cause to believe the suspect poses a threat of death or serious bodily injury to the officer or to others if apprehension is delayed; or
- (c) the officer reasonably believes that the use of deadly force is necessary to prevent death or serious bodily injury to the officer or another person.

Criminal Charges and Prosecution: Standards

The D.A.'s Office reviews police officers' use of deadly force pursuant to the D.A.'s Office's authority as a public prosecutor as set forth in Utah Constitution Article VIII, Section 16² and Utah Code 17-18a-203³, among other legal authority. Pursuant to this authority, the

² **Utah Const. Art. VIII, Section 16 [Public prosecutors.]** The Legislature shall provide for a system of public prosecutors who shall have primary responsibility for the prosecution of criminal actions brought in the name of the State of Utah and shall perform such other duties as may be provided by statute. Public prosecutors shall be elected in a manner provided by statute, and shall be admitted to practice law in Utah. If a public prosecutor fails or refuses to prosecute, the Supreme Court shall have power to appoint a prosecutor pro tempore.

³ **17-18a-203. District attorney powers and functions.**

In a county that is located within a prosecution district, the district attorney:

- (1) is a public prosecutor for the county; and
- (2) shall perform each public prosecutor duty in accordance with this chapter or as otherwise required by law.

D.A.'s Office is responsible for determining whether a person's actions (in this case, whether a law enforcement officer's use of deadly force) violates a criminal statute (Utah State law) and if so, whether and to what extent that person should be charged with a crime.

The D.A.'s Office is a public prosecution agency for and has jurisdiction over the prosecution of criminal offenses that occur within Salt Lake County. Among the duties of the D.A.'s Office is the responsibility to receive investigations of potential criminal activity from law enforcement agencies. Law enforcement agencies "screen"⁴ potential criminal charges with the D.A.'s Office by presenting evidence to the D.A.'s Office that may support the filing of criminal charges against a person who may have committed a criminal offense. Law enforcement agencies present all the relevant facts presently known to them.

After receiving relevant facts about a particular matter, the D.A.'s Office considers potentially applicable statutes to determine whether the statutes proscribe the conduct. During the "screening" process, the D.A.'s Office applies legal and ethical standards to the matter at hand to decide whether to file criminal charges. The D.A.'s Office files criminal charges against individuals accused of violating the law when certain legal and ethical standards are satisfied. When these legal and ethical standards are not satisfied, the D.A.'s Office declines to file a criminal charge.

Legal Standards

A case must satisfy legal standards before a prosecutor files criminal charges. Among the legal standards to file a case is the requirement that facts show "probable cause" to believe that offense was committed and the accused committed the offense. *See, e.g.,* Ut.R.Cr.P. 4(b).

A criminal case must be built on admissible evidence; the screening function doesn't simply consider all the relevant facts presented by law enforcement but must evaluate what evidence will be legally admissible against a defendant charged with a crime. Some evidence proves facts that, while true, may nevertheless not be admissible against a defendant at trial. The screening function is limited to considering evidence that will likely be admissible against a defendant.

Ethical Standards

The D.A.'s Office files cases that satisfy ethical standards and considerations in addition to legal standards for filing⁵. Honoring ethical standards ensures that everyone affected by the criminal justice system—suspects, defendants, victims, the community and the system itself—are treated fairly, honorably and respectfully.

⁴ Utah State Code defines "screening" as "the process used by a prosecuting attorney to terminate investigative action, proceed with prosecution [by filing an information or indictment], move to dismiss a prosecution that has been commenced, or cause a prosecution to be diverted." U.C.A. 77-2-2 (1).

⁵ Even when a criminal case is filed, the defendant is presumed innocent of the charges unless and until convicted in a court of law.

Page 6

Among the ethical standards which a case must satisfy is a reasonable likelihood of success at trial. A prosecutor must prove each element of the case beyond a reasonable doubt and to the unanimous satisfaction of a jury to prevail (succeed) at trial. A screening decision includes a consideration of factors that a jury may consider in weighing testimony, evaluating evidence, applying the law and rendering a verdict.

The D.A.'s Office follows many of the screening considerations outlined by organizations like the National District Attorneys Association⁶ and the American Bar Association—organizations that address the prosecution function and provide guidance in screening a case. These ethical screening standards are helpful to prosecutors deciding whether a case ought to be filed.

⁶ For instance, some relevant considerations for screening are outlined in *NDAA Standards 3-3.9 and 4-4.2*:

Standard 3-3.9 Discretion in the Charging Decision

(a) A prosecutor should not institute, or cause to be instituted, or permit the continued pendency of criminal charges when the prosecutor knows that the charges are not supported by probable cause. A prosecutor should not institute, cause to be instituted, or permit the continued pendency of criminal charges in the absence of sufficient admissible evidence to support a conviction.

(b) The prosecutor is not obliged to present all charges which the evidence might support. The prosecutor may in some circumstances and for good cause consistent with the public interest decline to prosecute, notwithstanding that sufficient evidence may exist which would support a conviction. Illustrative of the factors which the prosecutor may properly consider in exercising his or her discretion are:

- (i) the prosecutor's reasonable doubt that the accused is in fact guilty;
- (ii) the extent of the harm caused by the offense;
- (iii) the disproportion of the authorized punishment in relation to the particular offense or the offender;
- (iv) possible improper motives of a complainant;
- (v) reluctance of the victim to testify;
- (vi) cooperation of the accused in the apprehension or conviction of others; and
- (vii) availability and likelihood of prosecution by another jurisdiction.

(c) A prosecutor should not be compelled by his or her supervisor to prosecute a case in which he or she has a reasonable doubt about the guilt of the accused.

(d) In making the decision to prosecute, the prosecutor should give no weight to the personal or political advantages or disadvantages which might be involved or to a desire to enhance his or her record of convictions.

(e) In cases which involve a serious threat to the community, the prosecutor should not be deterred from prosecution by the fact that in the jurisdiction juries have tended to acquit persons accused of the particular kind of criminal act in question.

(f) The prosecutor should not bring or seek charges greater in number or degree than can reasonably be supported with evidence at trial or than are necessary to fairly reflect the gravity of the offense.

(g) The prosecutor should not condition a dismissal of charges, *nolle prosequi*, or similar action on the accused's relinquishment of the right to seek civil redress unless the accused has agreed to the action knowingly and intelligently, freely and voluntarily, and where such waiver is approved by the court.

...

4-2.2 Propriety of Charges

A prosecutor should file charges that he or she believes adequately encompass the accused's criminal activity and which he or she reasonably believes can be substantiated by admissible evidence at trial.

Page 7

"Justification" as Defense in Utah

When screening a case, a prosecutor considers whether a person who ostensibly committed a crime (or for which there may be probable cause to believe has committed a crime) nevertheless has a legal defense to prosecution. If a person who, for instance, shot or attempted to kill another has a legal defense to ostensible criminal charges related thereto, no charges can be brought against that person.

One legal defense to potential criminal charges available to police officers who used deadly force (whether or not the deadly force caused the death of a person) is the legal defense of "justification." This legal defense is found in Utah State Code as set forth above and operates in conjunction with other legal authority. The legal defense of "justification" could apply to any potential criminal charge; some of the potential criminal charges a police officer could face through an improper use of deadly force include criminal homicide, murder (or attempted murder), aggravated assault, or other offenses set forth in the criminal code. The legal defense of "justification" is applicable to any potential criminal charge.

A person's use of deadly force (including but not limited to use of deadly force by peace officers) is "justified" when the use of deadly force conformed to the statutes referenced above. Persons may lawfully defend themselves under circumstances outlined by law, and are afforded the legal defense of "justification" for the lawful use of deadly force in accordance with statutes. Utah Code Ann. 76-2-402 states that a "person is justified in threatening or using force against another when and to the extent that the person reasonably believes that force or a threat of force is necessary to defend the person or a third person against another person's imminent use of unlawful force." *Id.* This section also states: "A person is justified in using force intended or likely to cause death or serious bodily injury only if the person reasonably believes that force is necessary to prevent death or serious bodily injury to the person or a third person as a result of another person's imminent use of unlawful force, or to prevent the commission of a forcible felony⁷." *Id.*

In addition to the use of deadly force in defense of self or others, a peace officer's use of deadly force is "justified" when:

"effecting an arrest or preventing an escape from custody following an arrest, where the officer reasonably believes that deadly force is necessary to prevent the arrest from being defeated by escape; and the officer has probable cause to believe that the suspect has committed a felony offense involving the infliction or threatened infliction of death or serious bodily injury; or the officer has probable cause to believe the suspect poses a threat of death or serious bodily injury to the officer or to others if apprehension is delayed; or the officer reasonably believes that the use of deadly force is necessary to prevent death or serious bodily injury to the officer or another person." U.C.A. 76-2-404.

In essence, the analysis for the use of deadly force to prevent death or serious bodily injury (whether by individuals or peace officers) turns on similar elements. In relation to the use of deadly force by *individuals*: "A person is justified in using force intended or likely to cause death

⁷ For the enumerated "forcible felonies," see U.C.A. 76-2-402(4)(a), *supra*.

Page 8

or serious bodily injury only if the person reasonably believes that force is necessary to prevent death or serious bodily injury to the person or a third person as a result of another person's imminent use of unlawful force" U.C.A. 76-2-402(1)(a),(b). For the use of deadly force by *peace officers*: "the officer reasonably believes that the use of deadly force is necessary to prevent death or serious bodily injury to the officer or another person," or to effect an arrest under circumstances set forth in law. *See*, U.C.A. 76-2-404. A peace officer's use of deadly force is "justified" when that officer "reasonably believes" that the use of deadly force is "necessary to prevent" the threat of "death or serious bodily injury." *Id.*

As mentioned above, U.C.A. 76-4-202 and 404 constitute legal defenses to potential criminal charges. Although Utah Code doesn't directly reference other means of evaluating liability and reasonableness of police use of force, the United States Supreme Court case *Graham v. Conner* provides an analytical methodology for assessing excessive force claims in a Fourth Amendment context.⁸ *Graham* considers excessive force claims from a "reasonable officer on the scene, rather than with the 20/20 vision of hindsight." *Graham v. Conner*, 490 U.S. 386, 396 (1989) (citations omitted.) *Graham* also "requires a careful balancing of "the nature and quality of the intrusion on the individual's Fourth Amendment interests" ... against the countervailing governmental interests at stake." *Id.* (citations omitted) *Graham* observes: "Because '[t]he test of reasonableness under the Fourth Amendment is not capable of precise definition or mechanical application,' [citation omitted] however, its proper application requires careful attention to the facts and circumstances of each particular case, including the severity of the crime at issue, whether the suspect poses an immediate threat to the safety of the officers or others, and whether he is actively resisting arrest or attempting to evade arrest by flight." *Id.* (citations omitted).

This OICI investigation and our review that followed was conducted in accordance with an OICI investigation protocol previously established and in conformity with recently enacted legislation governing investigations of OICI events. The OICI investigation protocol strives to establish an investigation methodology and process that provides the D.A.'s Office with the evidence needed to review the investigation to determine whether a police officer's use of deadly force conformed to the above referenced statutes. If the use of deadly force conformed to the statutes, the use of deadly force is "justified," and the legal defense of "justification" is available to the officer such that criminal charges cannot be filed against the officer and the criminal investigation into the actions of the officer is concluded.

If the use of deadly force does not conform to the statutes above, the use of deadly force may not be "justified," and the legal defense of "justification" may not be available to the officer. In other words, if the use of deadly force failed to conform to the applicable statutes, the law does not afford the officer the legal defense of "justification." Further investigation may be needed to determine whether, and if so which, criminal charges can and should be filed against the officer. Just because the legal defense of "justification" may not be available (because the use of deadly force did not conform to the statutes) does not therefore necessarily mean that criminal charges should be filed against the officer. For instance, the evidence available to the

⁸ The issue addressed in this OICI review is narrow and well defined: did an officer's use of force violate a criminal statute and if so, should a prosecution ensue? While our review does not directly employ a Fourth Amendment analysis, the *Graham* case is nevertheless informative.

District Attorney may not support criminal charges, the case may not have a reasonable likelihood of success at trial, or other reasons may preclude a prosecution. Again, further investigation and consideration may be required to determine whether the use of deadly force warrants criminal charges.

INVESTIGATION

During the 2015 Utah State Legislature's General Session, the legislature enacted U.C.A. 76-2-408 which sets forth in relevant part the following provisions governing the investigation of peace officers' use of deadly force:

76-2-408 Peace officer use of force -- Investigations.

(1) As used in this section:

- (a) "Dangerous weapon" is a firearm or an object that in the manner of its use or intended use is capable of causing death or serious bodily injury.
- (b) "Investigating agency" is a law enforcement agency, the county or district attorney's office, or an interagency task force composed of officers from multiple law enforcement agencies.
- (c) "Officer" is a law enforcement officer as defined in Section 53-13-103.
- (d) "Officer-involved critical incident" is any of the following:
 - (i) the use of a dangerous weapon by an officer against a person that causes injury to any person;
 - ...

(2) When an officer-involved critical incident occurs:

- (a) upon receiving notice of the officer-involved critical incident, the law enforcement agency having jurisdiction where the incident occurred shall, as soon as practical, notify the county or district attorney having jurisdiction where the incident occurred; and
- (b) the chief executive of the law enforcement agency and the county or district attorney having jurisdiction where the incident occurred shall:
 - (i) jointly designate an investigating agency for the officer-involved critical incident; and
 - (ii) designate which agency is the lead investigative agency if the officer-involved critical incident involves multiple investigations.

(3) The investigating agency under Subsection (2) may not be the law enforcement agency employing the officer who is alleged to have caused or contributed to the officer-involved critical incident.

...

To comply with state law requiring an outside agency to investigate an OICI, SLCPD invoked the OICI investigation protocol, and an investigative team comprised of law enforcement personnel from several agencies responded to investigate this matter pursuant to the previously agreed upon OICI investigation protocol.

On August 30, 2017, OICI protocol investigators presented the investigation findings to the District Attorney for review and this opinion letter. During the presentation of the investigation findings, OICI protocol investigators reported that SLCPD was helpful and accommodating with the investigation's needs, but did not perform any investigation of the OICI itself.

FACTS

The following facts were developed from the OICI protocol investigation. Should additional or different facts subsequently come to light, the opinions and conclusions contained in this letter may likewise be different.

Just after 10:00 p.m. on August 13, 2017, SLCPD Officer Smith was on patrol in Salt Lake City. He saw a man, later identified as Patrick Harmon, ride his bicycle across all six road lanes and a median on State Street. Officer Smith noticed that, although it was dark, Mr. Harmon didn't have a required red rear tail light on his bicycle. Officer Smith stopped the man and asked him for identification. The man gave a couple of different names while Officer Smith tried to make an identification. Officer Smith asked for backup.

SLCPD Officers Fox and Robinson arrived at the traffic stop. Officer Fox walked over to Mr. Harmon and talked to him. Officer Robinson went to Officer Smith in his patrol car and talked to Officer Smith who was running Mr. Harmon for warrants. As they talked, felony arrest warrants (one for aggravated assault) came up on the computer. Officer Smith told Officer Robinson he was going to arrest Mr. Harmon for the warrants.

Officers Smith and Robinson walked to where Officer Fox was talking to Mr. Harmon. Officer Smith told Mr. Harmon he was under arrest for the warrants, and Mr. Harmon pleaded with the officers not to go to jail. The officers took Mr. Harmon's hands and placed them behind his back. As Mr. Harmon's hands went behind his back, Mr. Harmon bolted from the officers and ran. The officers pursued.

As he ran, Mr. Harmon said he was going to cut or stab the officers. Mr. Harmon stopped running and turned to face the officers. Officer Fox later said he saw a knife in Mr. Harmon's hand with a blade open. Officer Fox said he feared Mr. Harmon would cut or stab him

and/or his fellow officers. Officer Fox said he believed his life and the lives of the other officers were in danger. Officer Fox fired his weapon three times at Mr. Harmon. After Mr. Harmon went down, officers handcuffed him and rendered first aid until medical personnel arrived. Mr. Harmon died from the gunshot wounds.

An OICI protocol investigation team arrived and documented the scene, conducted interviewed and performed other investigation tasks. Investigators located and documented a knife with an open blade among the items at the scene. Investigators inspected and documented the conditions of officers' weapons used in the incident. Investigators also reviewed body-worn camera video recordings of the incident.

Officer Fox

On August 22, 2017, OICI protocol investigators interviewed SLCPD Officer Clinton Fox with his attorney present. Officer Fox said that on August 13, 2017, he was on patrol when he heard Officer Smith on the police radio ask for assistance with a pedestrian stop. Officer Fox said he drove to the area and saw Officer Smith's patrol car. Officer Fox said he walked up to a man, later identified as Patrick Harmon and asked Mr. Harmon to step off his bicycle.

Officer Fox said Mr. Harmon seemed emotional and distraught. Officer Fox said Mr. Harmon was talking about getting right with God and doing work for God; Officer Fox said Mr. Harmon said he was trying to take care of his arrest warrant. Officer Fox said Mr. Harmon seemed nervous.

Officer Fox said Officers Smith and Robinson walked over to him and Mr. Harmon. Officer Fox said he saw Officer Smith wearing gloves and inferred that Mr. Harmon was going to jail for his warrants. Officer Fox said he positioned himself to assist Officer Smith with the arrest; Officer Fox said Officer Smith stood on Mr. Harmon's right side and Officer Robinson stood on Mr. Harmon's left side. Officer Fox said Officer Smith told Mr. Harmon he was under arrest for the outstanding warrants and asked Mr. Harmon to remove his backpack. Officer Fox said Mr. Harmon complied.

Officer Fox said the other officers took Mr. Harmon's hands to place him in handcuffs. Officer Fox said as soon as Mr. Harmon's hands went behind his back, Mr. Harmon bolted and ran. Officer Fox said he believed Officer Smith yelled at Mr. Harmon to stop. Officer Fox said he saw Mr. Harmon's hands move to his right pants pocket. Officer Fox said he heard Mr. Harmon say he was going to cut them, or that they (the officers) would get cut. Officer Fox said he quickly realized Officer Robinson was in a dangerous position if Mr. Harmon produced a knife. Officer Fox said he believed Mr. Harmon could have stabbed Officer Robinson.

Officer Fox said Mr. Harmon stopped running, turned and yelled: "I'll fucking stab you." Officer Fox said Mr. Harmon came at the officers with something in his hand. Officer Fox said he was terrified by how close Mr. Harmon was to the officers when Mr. Harmon stopped and turned towards them. Officer Fox said when Mr. Harmon turned towards the officers, Officer Fox saw that Mr. Harmon had an open knife in his hand. Officer Fox said he was afraid Mr.

Harmon was going to stab him and/or the other officers. Officer Fox said he didn't know whether the other officers could see or perceive that Mr. Harmon was armed with an open knife. Officer Fox said he was worried about Officers Smith and Robinson if they tried to go "hands-on" with Mr. Harmon.

Officer Fox said he feared if he didn't immediately use deadly force, Mr. Harmon was going to stab him and/or the other officers. Officer Fox said he remembered he felt like Mr. Harmon was going to stab him. Officer Fox said he aimed his weapon at Mr. Harmon and fired three times.

Officer Fox said that in ten years of law enforcement and two military deployments, it was the scariest situation he had ever been in. Officer Fox said Mr. Harmon immediately gained the "upper hand" when Mr. Harmon produced the open knife as he stopped running and turned to face the officers. Officer Fox said he felt like Mr. Harmon presented a situation from which Officer Fox could not recover.

Officer Smith

On August 14, 2017, protocol investigators interviewed SLCPD Officer Kris Smith. Officer Smith said he was on duty on August 13, 2017 and on patrol when he saw a man on a bicycle riding on State Street. Officer Smith said he saw the man, subsequently identified as Patrick Harmon, ride across all six lanes of travel and across a median on State Street. Officer Smith said it was night, but Mr. Harmon's bicycle did not have a required red tail light. Officer Smith said he stopped Mr. Harmon to discuss the situation.

Officer Smith said he asked the man for his name, and the man gave him a name that had no match in his police computer. Officer Smith said he asked the man for his name a couple more times and each time, the man gave a different name. Officer Smith said he called on the police radio for other officers to assist him. Eventually, Officer Smith said the man said he was Patrick Harmon and Officer Smith found that Mr. Harmon had warrants for his arrest, including a felony warrant for aggravated assault.

Officer Smith said SLCPD Officers Fox and Robinson arrived and made contact with him and Mr. Harmon. Officer Smith said he walked from his patrol car to where Mr. Harmon and the officers were standing. Officer Smith said he told Mr. Harmon that he had warrants and was under arrest. Officer Smith said he reached for his handcuffs and Mr. Harmon started to put his hands behind his back. Officer Smith said that once Mr. Harmon's hands were behind his back, Mr. Harmon turned and ran northbound on the sidewalk. Officer Smith said Mr. Harmon turned quickly and started to run back towards the south. Officer Smith said he drew his Taser.

Officer Smith said he heard Mr. Harmon say "I'm going to cut..." Officer Smith said he saw Mr. Harmon reach towards his pants with his right hand. Officer Smith said he fired his Taser and simultaneously heard a gunshot. Officer Smith said he saw Mr. Harmon go down. Officer Smith said Officer Robinson placed Mr. Harmon in handcuffs and he and the other officers rendered aid until medical personnel arrived.

Officer Robinson

On August 14, 2017, protocol investigators interviewed SLCPD Officer Scott Robinson. Officer Robinson said he was on duty at the police station on August 13, 2017 when he heard Officer Smith on the police radio ask for assistance. Officer Robinson said he and Officer Fox drove to Officer Smith's location and saw Officer Smith's patrol car and a man with a bicycle stopped by the side of the road.

Officer Robinson said he saw Officer Fox talking to the man, later identified as Patrick Harmon. Officer Robinson said Officer Fox asked Mr. Harmon to get off his bicycle. Officer Robinson said he talked to Officer Smith who was running Mr. Harmon for warrants. Officer Robinson said Officer Smith told him that Mr. Harmon had felony warrants and he was going to arrest Mr. Harmon. Officer Robinson said he activated his body worn camera.

Officer Robinson said Officer Smith told Mr. Harmon he was under arrest for the warrants. Officer Robinson said Mr. Harmon pleaded with the officers not to take him to jail. Officer Robinson said one of the officers asked Mr. Harmon to remove his backpack and set it on the ground. Officer Robinson said he held Mr. Harmon's left hand and placed Mr. Harmon's hand behind his back in order to handcuff him. Officer Robinson said Officer Smith took control of both of Mr. Harmon's hands and placed them behind Mr. Harmon's back. Officer Robinson said that when Mr. Harmon's hands went behind his back, Mr. Harmon bolted and ran.

Officer Robinson said he tried to grab Mr. Harmon's clothing to stop him but couldn't. Officer Robinson said he heard Mr. Harmon say: "I stab" or something to that effect; Officer Robinson said he couldn't remember Mr. Harmon's exact words. Officer Robinson said Mr. Harmon turned and ran again and said something about stabbing again.

Officer Robinson said he saw that Mr. Harmon had something in his hand. Officer Robinson said he couldn't tell for sure if it was a knife, but Mr. Harmon appeared to be holding it out towards the officers.

Officer Robinson said he heard a Taser "pop" and three gunshots almost simultaneously. Officer Robinson said he saw Mr. Harmon go down. Officer Robinson said he and the other officers secured Mr. Harmon in handcuffs and rendered first aid until medical personnel arrived to treat Mr. Harmon.

Physical Evidence

All three officers wore body cameras that recorded the incident. OICI protocol investigators reviewed the body-worn camera recordings and presented the recordings and still photographs made from the recordings to the District Attorney for this review. Some of the still photographs are included with this letter as an exhibit.

Officer Smith's body-worn camera recorded Mr. Harmon when he stopped and turned towards the officers with the knife in his hand. Still photographs from Officer Smith recording

are included as Figures 1 and 2. In Figure 2, Mr. Harmon's toes and feet are shown pointing at Officer Fox. Officer Smith's recording also captured Officer Fox's abrupt stop when Mr. Harmon turned towards him with a knife. Figure 3 depicts Officer Fox up on his toes with his back arched away from Mr. Harmon as he fired his weapon.

OICI protocol investigators observed and photographed a knife on the ground near where Mr. Harmon went down. Photographs of the knife are depicted in Figures 4 and 5.

Protocol investigators inspected and documented Officer Fox's handgun and Officer Smith's Taser. Investigators determined that Officer Fox's weapon fired three shots during the incident. Investigators also determined that Officer Smith's Taser was fired. Investigators determined the officers' other weapons were not used in the incident.

DISCUSSION AND CONCLUSION

Justified Use of Deadly Force

Mr. Harmon threatened to stab or cut the officers as they tried to arrest him. While the officers were in very close proximity to Mr. Harmon, he presented an opened knife as he turned towards the officers who were running at him. Officer Fox saw that he and Officers Smith and Robinson were in immediate danger of Mr. Harmon inflicting death or serious bodily injury on them. Officer Fox said he believed Mr. Harmon was going to stab or cut him and/or the other officers.

Officer Fox reasonably believed deadly force was necessary to prevent death or serious bodily injury to himself and/or others and therefore his use of deadly force was "justified" under Utah State law. A "justified" use of deadly force provides Officer Fox a legal defense to a criminal prosecution for his use of force. Accordingly, the District Attorney's Office declines to file criminal charges and prosecute or otherwise pursue matters against Officer Fox.

If you have any questions or concerns regarding the determination made in this case, or otherwise wish to discuss the matter, please feel free to contact our office to set up a personal meeting.

Very Truly Yours,

SIM GILL,
Salt Lake County District Attorney

On August 13, 2017 I was called out by Sgt. Tim Duran on an Officer Involved Critical Indecent, involving Salt Lake City Police officers. I was asked to respond to the address of 1002 South State Street.

When I arrived I was briefed with other Violent Crime Detectives on scene. I was asked by Lead Detective Zach Bench to be over the scene and try and locate a next of kin for the deceased male. I walked the scene with detective Bench before he left for interviews. I then stayed on scene with the Forensic Units as the processed the scene.

I ran the decedents name in UCJIS and found he had several active warrants and was listed in OMS as being on probation. I contacted Adult Probation and Parole and spoke with Robin King, who told me the decedent was listed as a Class 2 probation start on 02/28/2017 and was listed on two cases as a walk away on 05/16/2017. Robin told me AP&P did an audit on 06/13/2017 and the decedent was still listed with active warrants. Robin did not know if a bulletin had been released on the decedent listing him as a walk away with active warrants.

Robin told me he had two names listed as next of kins for the decedent. The first name was Curtis Harmon who was listed as a brother and Henry Ross a half brother. Both males listed as family for the decedent resided in Ogden. The numbers I was provided were non working numbers. I was able to located address for both Curtis in Ogden and Henry in Farmington. I sent local police to the listed addresses. I was contacted that the male did not live at the address which I had them listed at. Through further investigation I was able to verify both Curtis and Henry where deceased. I ran the decedent through Lexis Nexis and located a female by the name of Jill Harmon (10/16/1965) living back in St. Louis Missouri. I located the address of 4457 W Belle PL FL 1st in Saint Louis. I sent Saint Louis police department over to the address to try and make contact with Jill. I was contacted by Officer Thomas, who said he responded to the address and was told there was not a Jill Harmon living there. Officer Thomas was able to run Jills name and located the address of 4451 4Park # 815 in Saint Louis. Officer Thomas was able to make contact with Jill and tell her of the passing of her brother in law. Officer Thomas gave Jill my contact information.

I advised Detective Bench, that I had contacted the next of kin for the decedent and they had been advised of his death. I then cleared the scene.

On August 14, 2017 I was contacted by Jill Harmon in regards to the death of her brother in law Patrick Harmon. I explained to Jill, Patrick had been in an indecent with Salt Lake City Police, where he was shot and killed. I told Jill I could not give her much information at this time.

Jill told me she was not surprised that Patrick would fight with police, Jill told me "Patrick is a motherfucker". Jill explained to me she was married to Curtis who is Patrick's brother at the time of Curtis passing. Jill also told

me Henry had passed away while incarcerated. Jill said Patrick does have sisters and a daughter but they all live back in St. Louis. Jill told me she is in contact with Patrick's family and would tell him of his death. I gave Jill my name and contact information and the case number and told her to call if she or any of the family members had questions. I took down Jill's information which will be passed along to Detective Bench.

Narrative

[I was requested by Sgt. Petty-Brown to respond to the Salt Lake City Police Department to photograph three officers involved in a shooting. I photographed front and back pictures of the officers, their duty belts, their guns, ammunition, extra magazines and tasers. I then separated the magazines and guns into their own bags/boxes for detectives.

I was then requested to respond to an O.R. room at IHC Hospital to photograph a male, echo.

I photographed an overall of the room, overalls of the male, and injuries on him. I also collected all the items and clothing that came into the hospital with him.

The clothing/items were brought back to the Crime lab and secured into a drying cabinet at 326. Please see below for a list of photographs taken.

On August 14, 2017 at approximately 0030 Hrs, Detective Bench requested I canvas the area for any video cameras that may have record the incident. Myself and Detective Hermansen checked the following businesses for cameras.

Businesses with no Cameras:

1030 South State Street- Mixed Emotions

1016 South State Street-Tourist Auto and Truck

1010 South State Street-Moonbeam Garage

1004 South State Street-Tourist Transmission

950 South State Street-Advantage Auto

Businesses with Cameras:

979 South State Street- Audi Dealership. Cameras are on the inside of the building and are IR type cameras.

999- South State Street- Audi Dealership. Cameras are on the inside of the building and are IR type cameras.

During the canvas I did not notice anything else that would be helpful to the investigation.

On August 14, 2017, I attended the autopsy for Patrick Harmon 10-15-1966 at the Office of the Medical Examiner. The autopsy was performed by DR. Joe Pestaner.

DR. Pestaner advised me that the gunshot injuries traveled from left to right and from back to front with a downward trajectory. Rods were inserted into the injuries and photographed. Injuries are described as follows:

- 1 gunshot injury to the front right upper leg near the pelvic area (exit wound)
- 2 gunshot injuries to the left upper buttocks area (entrance wounds). One of these bullets was recovered from the soft tissue just above the pelvis on the right side of the decedent. The other bullet continued through the body exiting on the front right upper leg and was not recovered at the time of autopsy.
- 2 gunshot injuries to the left forearm area (through and through), causing a significant break to the bone. Several metal fragments were recovered.

DR Pestaner advised me that the decedent died as a result of these injuries. Refer to DR. Pestaner's final report for complete details.

Evidence collected at the time of autopsy is as follows:

- 1-Fingernail clippings left hand
- 2-Fingernail clippings right hand
- 3-DNA spot card
- 4- 2 white beads from under body
- 5- 3 additional beads from under body
- 6- Fingerprints
- 7- Photo CD
- 8- Metal fragments from left forearm
- 9- Bullet from pelvis

On August 13, 2017 I was contacted by Sergeant Duran who requested I respond to the listed address to assist with an Officer Involved Critical Incident (OICI) investigation.

Upon arrival, I met with several members of the protocol team and was present for the briefing. Detective Bench requested I respond to Intermountain Medical Center where the suspect had been transported. Prior to arrival I was notified by Sergeant Duran that the suspect had died.

Upon arrival, I met with Salt Lake City Police Officer Daniel Carlson who was providing scene security and had personal property belonging to the decedent.

I was advised by nursing staff that the decedent was pronounced deceased by DR. Don Vanboureum (surgeon) at 00:03. DR Vanboureum spoke with me briefly and pointed out several gunshot injuries to the male decedent, these injuries are listed below:

- 1 gunshot injury to the front right leg just below the hip (possible exit)
- 2 gunshot injuries to the left upper buttocks area (possible entrance)
- 2 gunshot injuries to the left forearm (possible through and through).

Medical staff with IMC who provided life-saving efforts for the decedent are as follows:

Dalton, Caralin, RN

Copeland, Kylee, RN

Cordell, Denali, Orderly

Rogers, Ann Marie, RN

Stones-Crawford, Barbara, RN

Hansen, Chris, Scrub tech

Burt, Elizabeth, Scrub Tech

I received a phone call from Lieutenant April Morse at approximately 2345 hours on 8/13/2017 advising me of an officer involved shooting that took place in Salt Lake City involving Salt Lake City Officers. The protocol investigation team had been called out and she was requesting assistance from the firearms unit for a download of the involved officer's weapons.

I initially responded to the scene where I met briefly with Lt. Morse and Sgt. Tim Duran. I was advised that I would be needed for weapons downloads on three Salt Lake City Police Officers. Those officers had been transported to the Salt Lake City Police Station. I responded to the Salt Lake City Police Administration building at 475 So. 300 East. where I met with Detective Zach Bench, ID Technician Heather Bowles and other protocol team members. We were escorted to an interview room where the downloads would take place.

Officers were brought to my location one at a time. After each officer had been photographed by Tech Bowles, they were instructed to remove their handgun from the holster and hand it to me "as is". Each handgun was then placed on the table and photographed by Tech Bowles. The magazine was then removed from the handgun and the round removed from the chamber. The loaded magazine and chamber round were then photographed. The handgun magazine was then downloaded, rounds counted, and photographed. The officer was then instructed to hand me the two spare magazines he kept on his belt, those magazines were photographed, downloaded, and rounds counted.

Next the handgun was inspected to determine if it showed evidence of having been fired since its last cleaning. The handgun was subsequently packaged in an evidence handgun box. Each officer's rounds were placed back in their respective magazines. Each officer's handgun magazine and chamber round were packaged separately in a paper evidence bag. Each officer's spare magazines were then packaged in their own evidence bag. The handguns, magazines and ammunition were turned over to Detective Bench.

Each officer indicated that their primary duty handgun was the only firearm they had on them.

Each of the 3 officer's Tasers were also inspected and photographed. One taser was missing its cartridge, this taser was placed into an evidence bag and turned over to Detective Bench.

Below is an accounting of the download for each individual officer:

Related Text Page(s)Document: **INVTGTR F/U**Author: **23D - BENCH, ZACHARY**Subject: **SCENE RESPONSE**Related date/time: **Aug-16-2017 (Wed.) 1616**

On August 13, 2017, I was contacted by Sergeant Duran and asked to respond on an Officer Involved Critical Incident. I was told a Salt Lake City Police Officer was involved in a shooting near 1050 South State Street.

I responded to the scene and was present for a brief that was provided by Salt Lake City Police. We were told Officer Smith had conducted a pedestrian stop on Patrick Harmon who was riding a bicycle. Officer Fox and Officer Robinson responded to the location of the stop to assist. It was learned Patrick had a Felony 2 warrant for his arrest. As the Officers were attempting to secure Patrick in handcuffs he broke free from their grip and presented a knife to the Officers. Officer Fox fired 3 shots at Patrick who was subsequently transported to IMC where he died shortly after arriving. We were told there was one civilian witness that had been transported to Salt Lake City Police Department along with the 3 involved Officers.

Detective North (SLCPD) was assigned to be the liaison at the scene and Detective Mount was assigned as the liaison at SLCPD building.

I was assigned as the Case Manager as the Unified Police Department Officer Involved Critical Incident Protocol Team was requested to investigate the incident. The following Officers were present:

- Detective Brownlee (UPD)
- Detective Sorenson (UPD)
- Detective Peatross (UPD)
- Detective Stillion (UPD)
- Sergeant Duran (UPD)
- Detective Smithson (UTA PD)
- Detective Hermansen (SSL PD)
- Officer Thomson (UDOC)
- Sergeant Lake (Granite PD)
- Forensic Investigator Benner
- Forensic Investigator Andrews
- Forensic Investigator Bowles

I gave the following assignments:

Detectives Peatross, Brownlee and Hermansen were assigned to the scene.

Detective Sorenson responded to IMC and remained with Harmon until his body was released to the Office of the Medical Examiner.

Detective Smithson, Officer Thomson, Sergeant Lake, Detective Stillion and myself responded to SLCPD to conduct interviews and oversee the downloads.

Prior to leaving, Detective Stillion and I walked through the scene. I observed multiple evidence placards and cones marking various items. I saw an area where there was blood on the sidewalk and grass. Near the blood was a folding silver colored knife. I noticed there was bloody clothes on the sidewalk that I was told were cut off of Patrick as life-saving efforts were administered. As I walked around the 3 patrol cars I observed a black folding knife on the hood of one of the marked patrol cars. I was told this knife was used by an Officer to cut the clothes off of Patrick. Refer to the scene photos for further.

Please see supplemental reports for further.

Related Text Page(s)Document: **INVTGTR F/U**Author: **23D - BENCH, ZACHARY**Subject: **OFFICER DOWNLOADS**Related date/time: **Aug-16-2017 (Wed.) 1618**

Below is a synopsis of the Officer Downloads that were observed shortly after midnight on August 14, 2017. I responded to the Salt Lake City Public Safety Building (PSB) and observed the downloads of Officers Fox and Robinson. Officer Smith's download was observed by Sergeant Lake. All of the downloads were conducted by Lieutenant Griffiths (UPD) and documented by Forensic Investigator Bowles. Additionally the downloads were audio/visual recorded.

Officer Fox

Officer Fox was dressed in his patrol uniform with Salt Lake City Police Patches on each shoulder and was wearing his badge. Officer Fox had a Glock 17 (9mm) with serial number **REDACTED** in his holster. There was one chambered, unfired round in Officer Fox's gun and 14 rounds in the magazine that was in the gun. Officer Fox had 2 additional magazines with him and they both contained 17 rounds. Officer Fox's Taser was visually inspected and the cartridge had not been fired. Officer Fox said his spare cartridge was in his vehicle and that is usually where he keeps it. After the download was complete I walked with Officer Fox to the room where his body worn camera is docked and the video is uploaded. Once this was complete, I stood by while Officer Fox removed his vest and duty belt to check for any casings but he did not locate any.

I asked Officer Fox if he wanted to provide a statement to me and he said he would prefer not to. I provided Officer Fox with my business card and asked him to contact me if he would like to provide a statement at a later time.

Officer Smith

Sergeant Lake observed Officer Smith's download; please refer to his report for further.

Officer Robinson

Officer Robinson was dressed in a blue polo shirt with Salt Lake City Police patches on both shoulders and dark blue shorts. Over Officer Robinson's shirt was a blue vest carrier that had his badge attached to it. Officer Robinson was wearing a blue hat with a Salt Lake City patch.

Officer Robinson had a Glock 17 (9mm) serial number **REDACTED** in his holster. There was one unfired round in the chamber and 17 rounds in the magazine that was in the gun. Officer Robinson had 2 additional magazines on his duty belt; both of which contained 17 rounds. Officer Robinson's Taser was visually inspected and his cartridge had not been fired. Officer Robinson and I walked down to the same room as Officer Fox had and he placed his body worn camera in the docking station.

Officer Robison was interviewed by Detective Stillion; See his report for further.

I took custody of Officer Fox, Officer Smith and Officer Robinson's firearms as well as all of their magazines and ammo. I also took custody of Officer Smith's Taser which had been deployed. I returned to the scene and gave the items to Forensic Investigator Benner.

Officer Smith and Officer Robinson's firearms were taken as they had been fired recently (at qualification) and were not cleaned prior to returning to work.

On August 15, 2017, I checked out Officer Smith's Taser as well as his firearm, magazines and ammo from property and evidence. I also checked out Officer Robinson's firearm, magazines and ammo.

I took the Taser to the Unified Police Department's Range and had Dave Neylan download the Taser. The report showed the Taser was activated at 10:13 pm for 5 seconds and then placed in "safe" mode. There were not any other activations of the Taser while Officer Smith was on scene for this incident.

Later in the afternoon, I met with Detective Mount (SLCPD) and returned the Taser, firearms, magazines and ammo to him.

 Subject: **SCENE RESPONSE**
 Related date/time: **Aug-18-2017 (Fri.) 1208**

On August 13, 2017, I received a phone call from Lieutenant Bell of West Jordan Police Department who is the Officer Involved Critical Incident Protocol Team Coordinator. Lieutenant Bell informed me a Salt Lake City Police officer was involved in a shooting and requested the Unified Police Department's Protocol Team respond to conduct the investigation. I was told there were three police offers present during the shooting. However, I was told only one officer fired his gun. I was told the person who was shot was shot multiple times and had been transported to IMC Hospital in delta minus condition.

I contacted my command staff to inform them of the call-out. I then contacted members of the Unified Police Department's Protocol Team to have them respond to the address of occurrence which was identified as 1002 South State Street in Salt Lake City. I responded to the address of occurrence. While en route, I contacted Detective Zach Bench via telephone and advised him he would be assigned as the case manager on this investigation.

Once at the scene, Detectives and Forensic Techs were briefed by Salt Lake City Police Department's Staff. Detective Zach Bench made assignments to Detectives. I remained at the scene to supervise.

Narrative

[I responded with the Unified Police Department Mobile Crime Lab to the above address where I assisted with an Officer involved shooting case for Salt Lake City Police.

Upon arrival I was assigned as the forensic case manager. Forensic Investigator Benner was assigned to Faro scan the scene and Forensic Investigator Bowles respond to the Salt Lake City Police Department for the Officer download, see their reports for further information.

I took overall photographs of the West side of state street, including the roadway, lawn strip, sidewalk, and lawn area.

Facing South, along the West side of state street, I photographed three marked Salt Lake City Police Department cruisers, units number 40524, 40577, and 40626. I photographed a black Gerber brand folding knife with red/brown stains located on the hood of unit number 40577. This knife would later be marked as

item number 19 and collected as evidence.

In the shoulder of the roadway, to the south of the police vehicles, I photographed a green Specialized brand bicycle, serial number CB9B8337, and a black backpack. The bicycle was marked as item 1 and the backpack as item 2 and both collected as evidence. The contents of the backpack were later photographed, see photographs for more information.

South of the bicycle and backpack, also located in the shoulder of the roadway, I photographed a green taser door, marked as item 3. The other taser door was located on the sidewalk and marked as item 7. Both were collected as evidence.

On the lawn strip I photographed a pair of black patrol gloves with red/brown stains. These gloves were marked as item 4 and collected as evidence.

In the lawn area on the west side of the sidewalk I photographed two Silver Speer brand 9mm Luger casings. These casings were marked as items 5 and 6 and both collected as evidence. It was later determined that there should be a third casing in the same area. The entire lawn area was searched using a metal detector but no third casing was recovered.

In this same lawn area I also photographed a silver "Castlevew Hospital" brand folding knife, marked as item 12, a pair of handcuffs, marked as item 13, and a pair of bent eyeglasses, marked as time 18. All of these items were collected as evidence.

On the sidewalk I photographed a taser cartridge, marked as item 8, a bullet fragment, marked as item 9, blue jeans with red/brown stains, marked as item 10, a bullet, marked as item 11, a pair of red underwear, marked as item 14, A pair of shoes, marked as items 15 and 16, and a cigarette marked as item 17. All of these items were collected as evidence.

I also photographed multiple red/brown stains located on the sidewalk and lawn area.

I also photographed where the the taser cartridge conductive wires were wrapped around the blue jeans. One of the taser probes was still attached to the conductive wire and was located on the sidewalk next to the blue jeans. The other taser probe had broken free of the conductive wire and was located under the blue jeans.

The blue jeans and underwear were laid out on a table inside the Mobile Crime Lab and photographed in greater detail. I photographed two apparent holes in the right leg area of the blue jeans and three apparent holes in the back side

On August 14, 2017, I conducted an interview with Salt Lake City Police Officer Robinson in regards to the events that took place at 1002 S State St.

Officer Robinson stated he and Officer Fox were at the SLCPD building when Officer Smith conducted a pedestrian stop located at 1002 S State St. Officer Robinson stated he heard Officer Smith ask for a backup officer, at which Officer Fox and he left the building to assist Officer Smith.

Officer Robinson stated it was approximately three minutes of travel time before they arrived at Officer Smith's location. Officer Robinson stated he arrived and noticed a male sitting on a bike. Officer Robinson stated he spoke to Officer Smith on the passenger side of Officer Smith's patrol car, while Officer Fox started to speak with the male, identified as Patrick Harmon.

Officer Robinson stated Officer Fox requested Harmon step off the bike, in which Harmon complied using the kick stand to leave his bike standing. Officer Robinson stated Officer Smith located a felony two warrant for Harmon's arrest and advised him they were going to take Harmon into custody.

Officer Robinson stated this is the approximate time he turned his body camera on. Robinson stated he put on his patrol gloves to assist in the arrest. Officer Robinson stated Harmon pleaded not to go to jail. Officer Robinson stated he grabbed Harmon's backpack and placed it on the ground. Officer Robinson stated he took control of Harmon's left hand and placed it behind Harmon's back as Officer Smith did the same thing on Harmon's right hand.

Officer Robinson stated Officer Smith took control of both hands and attempted to place handcuffs on Harmon. Officer Robinson stated Harmon took off running west towards the Palmer Apartment Gate. Officer Robinson stated he grabbed Harmon's clothing in an attempt to maintain control. Officer Robinson stated he heard Harmon state "I stab" and something else but couldn't remember.

Officer Robinson stated the incident was active when Harmon started running. Officer Robinson stated Harmon turned quickly and stared back towards State St. Officer Robinson stated he heard Harmon say "I'll stab" again. Officer Robinson stated Harmon appeared to have an object in his right hand. Officer Robinson stated the object appeared to be black but unsure if it was a knife.

Officer Robinson stated he heard the "pop" of a Tazer and three shots from a firearm. Officer Robinson stated he is not sure which was fired first. Officer Robinson stated Officer Smith advised on the radio shots were fired and to start medical.

Officer Robinson stated he secured Harmon whom was still breathing and then started first aid. Officer Robinson stated Harmon was bleeding from his arm, unknown which arm. Officer Robinson stated they rolled Harmon to his left side to check for additional wounds.

Officer Robinson stated at this point Officer Fortuna arrived and placed a tourniquet on Harmon to stop the bleeding. Officer Robinson stated he was transported to the SLCPD station.

On August 14, 2017, I conducted and interview with Steve Raider in regards to the events that took place at 1002 S State St.

Raider stated he was walking to the Chevron on State St. and observed the male, later identified as Patrick Harmon riding his bike. Raider stated the gave them a strange look, but did not think anything of it.

Raider stated he observed a police car turn around and stop to talk with Harmon. Raider stated he heard the Police Officer say on the PA system of the car "please remain on the side walk" two times. Raider stated the red and blue lights were activated on the police car.

Raider stated he entered the Chevron gas station and was inside for approximately ten to fifteen minutes. Raider state once he exited the store he could smell gun smoke. I asked Raider if he heard any of the gun shots, he stated no.

On Friday, August 18, 2017, Detective Brownlee and I responded to the law office of Rebecca Skordas who is representing Officer Fox. We showed Officer Fox and Rebecca a portion of his body camera footage from this incident. I did not leave a copy of the video nor did I show Officer Fox or Rebecca any other Officer's body camera from that evening.

On August 22, 2017, I met with Officer Fox and Rebecca at the Sheriff's Office Building to obtain a statement from Officer Fox. The interview was audio recorded. Please refer to the transcript and recording for further.

Detective Brownlee and Investigator Kotrodimos were also present.

Related Text Page(s)Document: **INVTGTR F/U**Author: **23D - BENCH, ZACHARY**Subject: **REPORT OF EXAMINATION**Related date/time: **Oct-26-2017 (Thu.) 922**

On October 26, 2017, I received a Report of Examination from the Office of the Medical Examiner with the following findings.

Report of Examination

Name: Harmon, Patrick

M.E. Case #R201701858

Age: 50

Race: Black

Department

Sex: Male

Sorenson

Date/Time Found Dead: 08/14/2017 - 00:03 Hours

Date/Time of Exam: 08/14/2017 - 07:30 Hours

Examination by: Joseph P. Pestaner, M.D.

Investigating Agency: Unified Police

Exam Witnesses: Detective Bench; Detective

Manner of Death: Homicide

Immediate Cause of Death: Gunshot Wounds of Torso and Extremity

Final Pathologic Diagnoses

I. Gunshot wounds of torso and extremity

II. Cutaneous abrasions and contusions

III. Hypertensive cardiovascular disease

IV. Aortic atherosclerosis

V. Toxicology results.

A. Caffeine: Positive (hospital blood)

B. Cotinine: Positive (hospital blood)

C. Delta-9 THC 0.89 ng/mL (hospital blood)

D. Amphetamine: 37 ng/mL (hospital blood)

E. Methamphetamine: 270 ng/mL (hospital blood)

Opinion: Patrick Harmon died as a result of gunshot wounds of the torso (2) and extremity (1) during an encounter with police. Gunshot wound #3 injured the femoral artery and vein, major blood vessels in the body, causing significant blood loss. The other two gunshot wounds injured soft tissue and contributed to death through bleeding. The manner of death is homicide.

RATHOD | MOHAMEDBHAJ
2701 Lawrence Street, Suite 100
Denver, Colorado 80205

RE: Patrick Harmon

Dear Mr. Mohamedbhai and Mr. Rathod:

As discussed in our conversation today, we completed our review of the shooting death of Patrick Harmon by Salt Lake City Police Officer Clinton Fox. We reviewed the entire investigative file obtained from the Salt Lake County District Attorney's Office and also obtained and reviewed the medical examiner's report which was not included in the provided investigative file. We forwarded the material to the Department of Justice Civil Rights Section (DOJ) for an additional review. Upon consultation with DOJ, we mutually determined the evidence did not establish a prosecutable violation of the federal criminal civil rights statutes. Accordingly, we will not conduct further investigation and will close our review.

In closing, we regret this news will add to the trials of the Harmon family as they continue to process this tragedy and offer our condolences.

Sincerely,

Eric Barnhart
Special Agent in Charge

I responded on to the 9-1 being called.

Upon my arrival I initially stay with Ofcr Fox and Ofcr Smith to ensure their safety. Once I was relieved by SGT Peterson I began searching for witness but was unsuccessful. Lastly, I secured the inner perimeter as instructed by LT Siebeneck and signed the major incident log.

This ends my involvement in the case.

On 08/13/2017 at approximately 22:20 hours, I had finished my shift as a bike officer and was traveling home. I was listening to my radio when I heard on over the air that there was "shots fired" and officers asked for help in the area of 1000 S. State St. This was in close proximity to me so I responded code (lights and sirens) to this approximate area.

I arrived on scene and assisted with medical care of the suspect. I assisted with placing the suspect in recovery position. I stayed with the suspect until medical personnel arrived and took custody of the suspect.

Once medical personnel arrived and took custody of care, they requested that handcuffs be removed from the suspect so that they could provide further care to him. I removed the handcuffs from the suspect and placed them on the ground near where the suspect was lying.

I then assisted in locating evidence and marking it for documentation.

Due to being at the end of my shift, I was on my way home and had already docked my axon body camera and therefore did not have my camera on.

Related Text Page(s)Document: **SGT NARRATIVE**Author: **I57 - Mitchell, Todd C**Subject: **NOTIFICATION/ CALL OUT**Related date/time: **Aug-13-2017 (Sun.) 2240**

At 2240 hours I received a call from Lt. Taylor West who informed me of this officer involved shooting.

At 2243 hours I called Lt. Rich Bell (West Jordan PD) who is the OICI Protocol Coordinator. Lt. Bell stated the UPD lead OICI Team was next up and that he would notify them and Jeff Hall (District Attorney's Office) I then notified Det. Pat Mount and Det. Jeff North of this situation and had them respond.

At 2300 hours I spoke with Jeff Hall on the phone who stated Chris Kotrodimos would be responding to represent their office.

At 2301 hours I spoke with Tim Duran (UPD Team Leader). Tim stated they would conduct the case interviews at the SLCPD PSB.

I then responded to the scene and met with Lt. West. When Jeff North arrived at the scene I assigned him as the Scene Liaison. I then responded to the PSB.

Once at the PSB I located the 3 involved officers. The Involved Officers were on the 1st floor- Officer Fox was in Captains Vandongen's Office speaking with his attorney on the phone. Sgt. Sweeny had been assigned as Fox's Escorting Officer and continued to remain with him. I moved Fox and Sweeny to the 4th floor Administrative Conference Room where they remained until Protocol detectives arrived. Officer Fox needed to use the restroom and requested he be allowed to wash the subjects blood off of his hands. I took pictures of his hands with my phone and then stated he could wash his hands. At 0313 hours (08/17/2017) I texted the photos to Det. Jared Peatross (Protocol Team investigator) and deleted them from my phone.

Officers Robinson and Smith were in the Liberty Conference room on the first floor when I arrived. Sgt. Russ Peterson was their Escorting Officer. I had the three of them move to the 2nd floor Detective Conference room where they remained until Protocol detectives arrived.

I assigned Detective Pat Mount as the Facility and Case Liaison.

This supplemental report is being written to provide additional information regarding case #17-149617.

On 8/13/17 at approximately 2230 hours I responded to the area of 1050 S. State St. reference an officer-involved shooting. I secured crime scene tape from the east end of State Street near the intersection with Williams Avenue, across State Street to the west side of the street blocking all northbound traffic and in order to establish the southern end of the crime scene.

I was directed by Sgt. Sweeny to escort medical personnel into the scene. Salt Lake City Fire and Gold Cross personnel arrived from the north end of the scene on State Street. Fire personnel took over medical aid of the subject that had been shot. Officers had started to render medical aid to the subject and had placed a tourniquet on the subject's left leg. Salt Lake City Fire and Gold Cross personnel were briefed of the injuries to the subject by officers on scene. At 2235 medical personnel placed the subject onto a backboard and then on to a stretcher in order to transport him to the hospital. Officer Carlson accompanied medical personnel to the hospital and will have additional information in his supplemental report.

I retrieved marker cones from my vehicle and placed them over several evidentiary items at the scene to include a used taser cartridge, two cartridge casings, a bullet fragment, and blood droplets on the sidewalk. These items were preliminarily identified by officers on scene just after the initial response and by no means represent all of the evidence on scene.

After helping to locate and mark evidence I was directed by Sgt. Sweeny to escort Officer Scott Robinson to the PSB. I drove Ofc. Robinson to the PSB and sat with him until I was advised by Sgt. Sweeny that Sgt. Peterson would be able to stay with Ofc. Robinson and Ofc. Kris Smith. This ended my involvement in this incident. Axon mobile recording is available for my initial arrival up until medical personnel cleared the scene. NFI

Summary: While at the Public Safety Building located at 475 S 300 E working on reports I heard Officers call priority traffic of shots fired in the area of 1002 S State Street.

I initiated my overhead lights and siren and proceeded to the call code 3. I arrived in the area and proceeded to block Southbound lanes at 900 S State Street.

After the Southbound lanes had been blocked I began searching the area for witnesses. I located 3 witnesses in the parking lot of Auto Zone located at 939 S State Street.

Witness Ashley Wright **REDACTED**: Ashley stated that she was in the parking lot of the Auto Zone when she heard a voice over an loudspeaker system. Ashley stated she had observed two Police vehicles parked down the street. Ashley stated she believed the Officers were speaking to someone over the loudspeaker about safety. Ashley stated after an unknown amount of time had past she heard a loud series of pops. Ashley believed she heard three shots. Ashley filled out a witness form on scene.

Witness Jeffrey Heaton **REDACTED**: Jeffrey stated he was assisting another person with a Toyota in the parking lot of Auto Zone when he observed a Police vehicle pull to the side of the road approximately a half block down from the Auto Zone. Jeffrey stated he heard a voice over the intercom and initially thought it was coming from the Honda dealership located across the street. Jeffrey went on to say that he believed the intercom was coming from the Police vehicles. Jeffrey stated he heard four to five shots fired. Jeffrey filled out a witness form on scene.

Witness Laurie Mitchell **REDACTED**: Laurie stated she was standing in the parking lot of Auto Zone just after 10 p.m. working on her Toyota when she heard three shots from down the street. Laurie stated she had heard a voice over the loudspeaker prior to the gunshots and assumed it was coming from the Honda dealership. Laurie filled out a witness form on scene.

I was an assisting officer on this call. My responsibilities were to stay with the medical crew and then follow to the Hospital if needed. Department issued camera was on while on scene.

I arrived on scene and asked Sgt. Sweeny what he needed me to assist with. I was assigned to stay with the medical crew. Salt Lake City Fire Department Engine 8 and Gold Cross ambulance 593 arrived on scene for patient care.

At 2235 Medical had the handcuffs removed so they could treat and move the individual to the backboard for transport. When they moved the patient was moved onto the board I noticed a spent round on the ground. I pointed this out to an officer on scene due to the fact that I would be leaving.

I followed the ambulance to the hospital and stayed with the patient until I was relieved by Det. Sorensen from Unified Police Department.

The patient was in the Emergency Room for awhile and then moved to the Operating Room and it is there he was pronounced dead at 0003 hours.

I was patrolling in the area of 1700 S 400 E when I heard Officer Kris Smith call out shots fired. I had heard him call out previously on a pedestrian stop at 1050 S State St. I activated my emergency lights and sirens and drove in that direction.

Upon arrival on scene at approximately 2229 hrs I observed Officer Kris Smith, Officer Scott Robinson, Officer Clint Fox and Sgt. Alma Sweeny already on scene. They were standing over a black male that was handcuffed. He had his pants partially pulled down and I could see he was bleeding from his upper thigh.

I heard Sgt. Sweeny ask who shot and Officer Fox stated he was the one that shot. Sgt. Sweeny directed me to take his place at that point and pulled Officer Fox from the scene.

Due to the bleeding on the upper thigh of the black male I removed my tourniquet from my pocket and began to apply it. I put the tourniquet as far up on the thigh as I could. I removed the subjects shoes, pants and underwear from his person by pulling them off of him. I placed them next to where he was laying. The subject was then placed in the recovery position until medical arrived.

Once medical arrived on scene I provided them with the details that I had applied a tourniquet. I also notified them of the wounds I had observed. There appeared to be an entrance wound on his upper right thigh, an exit wound out of his left buttocks and also one more wound to his right arm.

Once the subject was transported I assisted in locating evidence on scene. I remain on scene as scene security until detectives arrived. I was interviewed on scene on what I had observed and cleared the scene at approximately 0050 hrs.

At 2228 hours on 8-14-17 Officer Sadler and I were working as a two man car, when we heard the call for shots fired come over the radio. We were close and after the call came out I recall hearing loud pops like gun shots or fireworks.

We responded to the scene and began assisting in securing the scene. I located several drops of blood on the side walk, which were marked off, so they could be processed. While checking for evidence, I located a slug near the feet of the male involved. I stayed on scene until I was cleared to handle patrol calls. My Axon was in use. Nothing further.

On 081317, at 2245 hrs, I was notified by Sgt Mitchell of an Officer Involved Critical Incident which occurred at approx 1002 S State St. Sgt Mitchell informed me there were three involved SLCPD officers, one civilian witness, and the Unified Police Department's protocol team would be investigating the incident. Sgt Mitchell assigned me to be the Liaison between SLCPD and UPD at the Public Safety Building. I arrived and Officers Kris Smith/O96 and Scott Robinson/Q11, accompanied by their escort Sgt Russ Peterson/K71, were in the 2nd floor detectives conference room. Officer Clint Fox/Q25, accompanied by his escort Sgt Alma Sweeney, were in the 4th floor conference room. Witness Steve Rader was in the 2nd floor interview room #2.

I downloaded all the officers downloads, officer interviews, witness interview, and Axon camera videos in preparation to give to UPD's case agent Det Zach Bench.

On 081317, at 1230 hrs, Det Bench came to the PSB and I gave him copies of the officers downloads, officer interviews, witness interview, and Axon camera videos.

On 081417, at approx 1330 hrs, I went to UPD headquarters and met with Det Bench. I gave him copies of Officer Mack's Axon camera video, Officer Fortuna's Axon camera video, and a copy of this report.

Det Bench returned Officer Robinson's Glock 17 (#ZCH809) and three magazines with ammo to me. Det Bench returned Officer Smith's Glock 17 (#XFW971), three magazine with ammo, and Taser (#11002X3X1200WE2) to me.

On 081717, at 1100 hrs, I released Officer Robinson's Glock 17 (#ZCH809) and three magazines with ammo and Officer Smith's Glock 17 (#XFW971), three magazine with ammo, and Taser (#11002X3X1200WE2) to Capt Vandongen. -NFD-

----During this call my Axon camera became unplugged and nothing was recorded.-----

I was in the area of 300 W 900 S when I heard Officer Smith state over the radio that shots had been fired during their stop. With my emergency equipment activated I responded to the scene at 1050 S State. I was the first officer to arrive, in addition to those initially on scene. As I arrived I called for traffic to be shut down for both north and southbound traffic on State Street. I then approached the immediate scene where I observed a MBA bleeding from his right leg, with what appeared to be a gunshot wound. The male appeared to be in and out of consciousness and appeared to be loosing a large amount of blood. I retrieved my tourniquet from my pocket and went to apply it around the subjects leg. At this time Officer Fortuna arrived on scene and stated he had gloves on and could apply the tourniquet, and I handed the tourniquet to Officer Fortuna. I then went and felt for a pulse on the subject. I could feel a slow/weak pulse, and I felt that applying the tourniquet and getting medical on scene was the best care we could currently provide. Once the tourniquet was placed I assisted officers place the subject in the "recovery position". A short time later medical arrived.

After moving the subject I observed a folding style knife lying in the grass. At first it was believed this was Officer Fox's knife, however it was later determined to be the subjects. I directed officers on scene to leave the knife in place, and ensure it was not moved.

A short time later medical arrived. I specifically directed Officers Carlson and Kewish to be with medical personnel and observe their actions and document them in their reports. I informed medical personnel that Officers Carlson and Kewish would be with them and essentially shadow them throughout this call. I then directed Officer Carlson to travel with the subject to the hospital if he was to be transported.

At this point I directed officers to begin canvassing the area for witnesses. A major incident log was established and the scene was secure at this point.

I then spoke briefly with Officer Fox. I asked him how many rounds were

SLCC 000168

906-1 HOMI-PUB OFF-ID WEAP/OFFIC INV

fired, and he responded 3. I asked if any subjects were outstanding and he replied there weren't any outstanding subjects. I then asked if there were any rounds that might have over-penetrated and effected the public, and that we would need to check, and he stated he didn't believe so. I did not ask Officer Fox anymore questions related to the shooting.

I then coordinated with other supervisors on scene that Officers Fox, Smith and Robinson would need to be transported to PSB. I stated I would take Officer Fox, and I would stay with him until he was released by detectives.

I transported Officer Fox to PSB. I asked Officer Fox if he would like to notify any family members of this incident. He stated he would, and once we arrived at PSB I told him I would let him notify those he wanted while he remained in my vehicle. I exited so that he could have a private conversation, however I could still clearly see him and maintain a visual on him.

I contacted the union president Steve Hartney and informed him there had been an OIS, and that I would like to put Officer Fox in contact with the union lawyer. I escorted Officer Fox to Captain Vandongen's office, as I did not have access to the 4th floor conference room. Once at the office Officer Fox contacted his lawyer. While speaking over the phone I exited the room so that he could have a private conversation. Once the conversation was completed I again entered the room so that I could maintain visual of Officer Fox, and his weapon. During the entire time I was with Officer Fox he maintained his issued firearm holstered, as well as his magazines. I did not observed Officer Fox manipulate or alter any of his equipment. While waiting for detectives to respond Officer Fox did remove his vest and belt. I felt this was appropriate as I could still maintain visual over that equipment and I did not feel it effected any evidentiary value.

I remained with Officer Fox while detectives arrived and processed him and his equipment. Once he was cleared by detectives I drove him to his residence.

I then responded back to the scene with Officer's Smith and Robinson, so that they could obtain their vehicles once the scene was cleared. I then coordinated getting efforts to get Officer Fox his vehicle, which was delivered to him by Officer Robinson.

At this point I ensured that traffic had been completely shut down on State Street. I assigned specific officers to block off the traffic with police tape.

It should be noted that when I first arrived on scene I attempted to turn on my Axon camera. It was not until the scene was secured and I went to turn my camera off that I realized my cord had come undone and nothing had been recorded.

I responded to the area of 1000 S State Street after hearing Officers advise over the air that shots had been fired.

Upon arrival I blocked north bound traffic on State Street at Williams Avenue.

While putting up crime scene tape near Palmer Court a male, later identified as Steve Raider 12/18/55, approached me and stated he had observed the Officers stop someone.

I advised Steve to stay put and I advised Sgt. Hatch I had a witness. Officer Borders arrived and Steve was turned over to him. My Axon Flex was not activated when Steve approached me. I did not turn it on while blocking traffic for several hours.

I remained at my post blocking traffic until the scene was released by UPD.

I ASSISTED WITH SCENE SECURITY AND THE MAJOR INCIDENT LOG.

I responded to assist officers at the scene of an officer involved shooting at 1002 S State St. When I arrived I observed officers attempting to stop the bleeding from the subjects leg. I began to set up scene security and to check the scene for evidence. I observed the jacket from one of the fired rounds on the sidewalk. I then found two shell casings in the grass. Cones were placed over the evidence that had been found to preserve the evidence.

A short time later I signed in on the Major Incident Log. I asked Officer Stone, who had given me the log, if he was the officer who initiated the log. He said he wasn't and did not know who had started it. At this time I took over the Log and maintained it until the scene was cleared. I booked the log into evidence. When I arrived on scene I activated my camera. However, when I attempted to tag my video no video was found. It appears there was a malfunction of my camera.

On 08/13/2017 I was called out by Sgt. Mitchell of the SLCPD Homicide Unit to respond to the scene of an officer involved shooting. I responded to 1002 S State St to assist on this case. When I arrived I was assigned to be the scene liaison for Unified Police Department, who would be handling the investigation. I remained at the scene of the incident with Unified PD personnel until the scene was cleared at 05:04 the next morning. While on scene I was contacted by Lt. West who requested that I remove personal items from Officer Fox's vehicle. I removed an I pod, a pair of earbud style headphones, and a lunch box from Officer Fox's vehicle and had them transported to the Public Safety Building. At approximately 03:45 Unified Police Department informed me that they were finished with SCLPD patrol vehicles that were at the time being considered part of the scene. Officer's Robison and Smith retrieved their patrol vehicles from scene. Officer Fox's vehicle was transported from the scene by SLCPD officers. The scene was released shortly after.

All,

I just spoke with Antionette Harmon and tried to give her as much information as possible at this point in the investigation. I explained an outside agency (Unified PD lead Protocol Team) along with the District Attorney's Office was called in and are conducting the investigation. I informed her I would have UPD give her a call (Already passed this request on to UPD and they said they would reach out to her). I also gave her my phone number and said I would be happy to be her point of contact with our department at this time.

Anntionette gave me two good phone numbers.

Importance: High

Good Morning Lt. Kendrick,

Ms. Harmon, Mr. Patrick Harmon's sister has called into the Mayor's office this morning requesting information about her brother's death. She alleges that there are conflicting news accounts of the incident that took place 8/13/17 and wants accurate details about the incident. Please give me a call back as soon as you can as I would like to get her the best information available, or at least coordinate the best representative from SLCPD / City to speak with her. Thank you.

Best,

Nate Salazar, MSW
